### DIVIDING THE SPOILS

LANNAN AND PRATT GIVING OUT PLACES.

Alleged That Police Clerk Diehl Has Been Promised the Assistant City Attorneyship, But Loufbourrow Also Wants the Place-Pratt Will Fire Loufbourow.

That Bose Lannan would own the city administration should his ticket be elected, and that Arthur Pratt would act as his agent in distributing the spoils is recognized as a certainty by the Hannaite pie-bunters. City Councilman Diebi, it was stated yesterday on good authority, has already secured from Pratt the promise that his son, now police court clerk, shall be made assistant city altorney. This appointment, it is stated, is claimed by Mr. Diebi as an additional reward for the support given Pratt by Pichi in the city council. Pratt, as stated, has promised this appointment to young Biebi, indicating a purpose to go ahead and parcel out the spoils of office without consulting anyone except Boss Lannaa. But Fratt has discovered that Secretary Loofbourovs of the city committee proposes to land the assistant city attemposing for himself. This has intensibled Pratt's hostility to Loofbourow, and strengthened his determination to out the scretary and thereby prevent him from winding prestige from the campaign. poils is recognized as a certainty by

Campaign Notes.

After reading the Lannan organ's ar-cic yesterday suggesting that Mr. arnes take the stump, a number of semocrats suggested a series of joint ebates between Barnes and Thomp-no on the issues involved in the cam-nism.

Through an oversight it was stated yesterday that Joseph Bull, jr., was elected chairman of the Democratic committee of the Third precinct. The fact is that H. E. Sleater was elected, the vote standing eleven for Sleater to too for Rul

the vote standing eleven for Sienter to ten for Buil.

There will be a meeting of Demo-crats of the Third precinct in the old Sixteenth ward school house, corner of First North and Fourth West streets, at 8 o'clock this evening for the purpose of organizing a Barnes Democratic so-cial club. All active Democrats are in-vited to be present.

MILLER SYNER.

The Hanna committee raised the usual howl yesterday against the Dem-The Hanna committee raised the usual how yesterday against the Democratic registrars, charging those officials with attempting to obstruct the registration of Republican voters. However, they were unable or unwilling to mention specific cases, except in one instance. The case referred to was that Joseph Bull, ir, registrar of the Twenty-eighth district, who was charged with requiring transfers from Republicans moving from one precinct to another, whereas the law requires such transfers only when the voter has removed from one district to another in the same precinct. Parley White, the lad who is running for city treasurer, had seer Mr. Bull refuse to register a voter, it was said, and it was believed that he had refused others.

Mr. Bull, when seen, stated that the only atom of truth in the story was that there was a man refused in the Twenty-eighth, but he was refused by the first that the sixty-five-foot shaft to the credit of the same results of the same of the same of the same of the same of the could not recollect. transfer and be would be registered in the Third. The man agreed with him, and left to follow out the instructions. Parley White happened to be there when the incident occurred. Registrar Bull turned to him and said: "That is the right thing to do, isn't it?"

"Certainly," the Republican nominee replied. "If you didn't require a transfer, the man could register in fifty-two districts and vote in all of them."

Mr. Bull's refusal to register the voter

Mr. Bull's refusal to register the voter was undoubtedly due to a misunder-standing of the law. A few such cases have arisen at every registration since the new law went into effect, as registration officers sometimes become confused over its newslaws.
